

## SilverCrest Announces SSR Mining Exercises Shareholder Participation Right with \$13.25 Million Private Placement

TSX: SIL | NYSE American: SILV

For Immediate Release

**VANCOUVER, BC – January 3, 2020** - SilverCrest Metals Inc. ("SilverCrest" or the "Company") is pleased to announce that SSR Mining Inc. ("SSR Mining") has elected to exercise its Shareholder Participation Right pursuant to an agreement between the Company and SSR Mining dated November 28, 2018 (see news release dated November 29, 2018). Accordingly, SSR Mining has agreed to purchase 1,819,074 shares of SilverCrest for aggregate proceeds of C\$13,242,859 at the same price of C\$7.28 as the bought deal public offering announced by SilverCrest on December 3, 2019.

The net proceeds of the private placement will be used for continued exploration and development of the Company's Las Chispas Project and for general working capital and administrative purposes.

The private placement is scheduled to close on or about January 10, 2020 and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the approval of the Toronto Stock Exchange.

### ABOUT SILVERCREST METALS INC.

SilverCrest is a Canadian precious metals exploration company headquartered in Vancouver, BC, that is focused on new discoveries, value-added acquisitions and targeting production in Mexico's historic precious metal districts. The Company's current focus is on the high-grade, historic Las Chispas mining district in Sonora, Mexico. The Las Chispas Project consists of 28 mineral concessions, of which the Company has 100% ownership of where all the known mineral resources are located. SilverCrest is the first company to successfully drill-test the historic Las Chispas Property resulting in numerous high-grade precious metal discoveries. The Company is led by a proven management team in all aspects of the precious metal mining sector, including taking projects through discovery, finance, on time and on budget construction, and production.

### FORWARD-LOOKING STATEMENTS

*This news release contains "forward-looking statements" and "forward looking information" (collectively, "forward-looking statements") within the meaning of Canadian and United States securities legislation. Such forward-looking statements concern the intended use of proceeds and the scheduled closing of the private placement. Such forward-looking statements or information are based on a number of assumptions, which may prove to be incorrect. Assumptions have been made regarding, among other things: conditions in general economic and financial markets; timing and amount of capital expenditures; and effects of regulation by governmental agencies. The actual results could differ materially from those anticipated in these forward-looking statements as a result of the risk factors including: the timing and content of work programs; results of exploration activities of mineral properties; the interpretation of drilling results and other geological data; and general market and industry conditions. Forward-looking statements are based on the expectations and opinions of the Company's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date the statements were made. The Company undertakes no obligation to update or revise any forward-looking statements included in this news release if these beliefs, estimates and opinions or other circumstances should change, except as otherwise required by applicable law.*
